The focus was on 6 gross motor skills; throwing, catching, batting, running, agility and coordination. The children all had a fabulous morning although it was absolutely freezing.

## Year 3 and 4 Cricket Skills

On Wednesday 27th April, some of the children in years 3 and 4 went to Reading Cricket Club to take part in a Cricket Skills Afternoon. It was another enjoyable experience for the children.

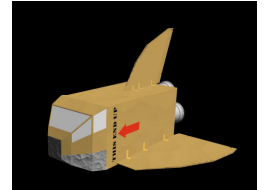

## Year 4 visit Ufton Court

On Tuesday 3rd and Wednesday 4th May some of the children in the Y4 classes enjoyed a short residential trip to Ufton Court. When they arrived on Tuesday, they explored the house and grounds. In the evening the children enjoyed a Tudor Banquet where they were all dressed in Tudor clothes and the boys had to escort the girls. On Wednesday the children enjoyed lots of outdoor activities including shelter building, woodland games and they all pretended to be soldiers and raided the house looking for Harrison who was hiding in the priesthole. ## Reception visit the Planetarium

On Tuesday 22nd March both Reception classes visited the Winchester Science Centre and Planetarium. The children really enjoyed exploring the different activities, a particular favourite involved launching a parachute over a wind tunnel. We also watched a 30 minute show in the planetarium about the different planets. It really felt like we were flying through space in a rocket.

## Beat The Street Update

We are currently 25 out of 80 groups and have 48750 Points. Children who have walked a long way have been given prizes.

Don't forget to keep beeping up until Friday evening.

## Pantomimus

For the last 5 weeks, Reception have taken part in Pantomimus. They have really enjoyed learning new songs and dances and have been introduced to variety of instruments, whilst keeping a steady beat. The teacher, Margareta brought along some objects from her kitchen that she has made into instruments. It has been so much fun.
