

I want to say thank you to the Year 6 leavers of 2015.

You are a wonderful cohort with special and individual talents that I know will flourish at secondary school.

Your contribution to Wilson over the years has been substantial, you have been Glee Club members, sports team members, school councillors and role models and knowing you only briefly, has been a privilege.

Someone who knows you a lot better and has been an instrumental part of your 'Wilson' experience is Mrs Dooley. Along with Claire their contribution to your education had been massively significant but more importantly their contribution to your childhood has given you skills, confidence and aspirations beyond the classroom. I would like to thank them both very much.

I would also like to thank your families. Your mums and dads are sat here today as they have at countless occasions over your primary years, supporting you and the school. So thank you for your time, your understanding and encouragement since that first day. The first time you dressed them in their Wilson jumper or packed a lunch or received one of Mrs Bull's texts. Thank you.

So Children I wish you luck at your next school although none of you need it, you all leave us with the skills you require to make a difference to your lives and other people's lives. You can be whatever your ambition inspires you to be and you will always have a little part of Wilson in your heart to help you do that.

Thank you,

Miss Jackson
