

Wilson Primary School Sport Premium Funding 2018 – 2019

At Wilson Primary School, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on concentration, attitude and academic achievement of all our children.

Wilson Primary School has been in receipt of additional government funding specified as '*Sport Premium*' since its introduction in September 2013. **Expected funding amount will be £19,552.** We aim to utilise this extra funding to improve all aspects of Physical Activity. This includes maximising pupil progress, increasing participation in sport, professional development of staff and helping all our pupils to develop healthy lifestyles and positive attitudes towards Physical Education.

Key Indicator: Engagement in regular physical activity	
<ul style="list-style-type: none"> • Purchase of new and replacement PE equipment • Establish a Sports Crew to assist in the organisation and running of physical activities
