

Wilson Primary School Sport Premium Funding 2017-2018

Wilson Primary School has been in receipt of additional government funding specified as 'Sport Premium' since its introduction in September 2013. For the 2017/18 academic year each school in England is expecting to receive £8000 plus £5 per child on roll.

We aim to utilise this extra funding to improve all aspects of Physical Activity. This includes maximising pupil progress, increasing participation in sport, professional development of staff and helping all our pupils to develop healthy lifestyles and positive attitudes towards Physical Education.

At Wilson Primary School, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on concentration, attitude and academic achievement of all our children.

Last Year we spent our 'Sports Premium' in the following ways:

Amount of Grant Received Year 2016-2017: £9630
